

Dear Friend,

Tavi's Fairy Festival is a magical night for families and will "fly" again in Ladera Ranch, CA on Saturday, April 14th, 2018. This annual event invites children to a fairy (and pirate) wonderland where they will have the opportunity to give back by attending event, participating in activities and spending their pennies and dollars for items in the fairy marketplace and sweet shoppe.

The idea and inspiration for this event came from a very special young lady, Tavi Cook. Tavi's courageous battle with Spinal Muscular Atrophy (SMA) touched many hearts, and through this event, our mission is to touch many more. As a tribute to Tavi's love for fairies, books and all things fancy...Tavi's Fairy Festival was born.

Charitable funds will be collected through entrance fees, event activities and the fairyland marketplace. However, we are also hopeful that key corporate sponsors will also "help us fly" and create a magical memorable event. **This year the proceeds will be given to the James Henry Ransom Foundation, an organization that raises awareness and money to support programs, organizations, research, facilities, and families in dealing with issues related to adolescent mental and behavioral health. James was a wonderful young man from Ladera Ranch and his amazing family is teaming up with the festival committee for this magical night! Find out more about James' story here: <https://www.jameshenryransomfoundation.org/>**

Any and all donations are welcome - no matter how big or small! For those whose donations fall into the following categories, we would like to give you special recognition as a token of our gratitude! Upon entrance to the event, each person/family will receive an event program, outlining the details of activities, layout of the event as well as the ever anticipated "Fairy Hunt Adventure" map! Corporate logos/names will be displayed on each program and read/used by each attendee.

1. Glitter Level { \$50-\$500} Corporate or Individual Name on the program
2. Sparkle Level { More than \$500} **Corporate Logo** on the program, website and social media
